The prices shown are recommended retail prices. All total prices include Value Added Tax (VAT) at the applicable national rate.

Fuel consumption, CO₂ emissions, and (where applicable) electric driving range are determined according to the WLTP test procedure and are vehicle-specific.

These values may vary depending on selected equipment, options, driving conditions, and usage. The final price of the vehicle is determined based on the actual configuration and applicable taxes at the time of order and may differ from the prices shown. Local delivery charges, registration fees, and other applicable costs are not included and will be charged separately. The manufacturer and importer reserve the right to make changes to prices, technical specifications, equipment, and availability without prior notice. Errors and omissions excepted.
